Second review
OSM: One-Shot Multi-speaker

Link to pull request with diff: https://github.com/adasegroup/OSM-one-shot-multispeaker/compare/main...nikitabalabin:review_branch?expand=1

I tried to run following code:OSM-one-shot-multispeaker/notebooks/demonstration.ipynb
Everything is working.

From my point of view the completeness is 50-70%
